Adults

KFBC is pleased to host Perspectives on the World Christian movement beginning on January 16, 2018. Perspectives is a fifteen week course designed around four vantage points or

“perspectives” — Biblical, Historical, Cultural and Strategic. Each one highlights different aspects of God’s global purpose.

God has a "world-sized" role for every Christian in His global purpose. Whether people go to distant countries or stay at home is a secondary issue. The primary issue is what most people are hungry to discover: vision to live a life of purpose. Discovering that vision makes this course valuable, and perhaps crucial, for any Christian.

Visit www.perspectives.org or contact Stephen Storm for more information.
