Missions

Dear KFBC Family,

Five members of our church will be traveling to Southeast Asia in June to partner with an IMB missionary specifically targeting 7 UPGs. “UPG” stands for unreached people group. This designation means that less than 2% of this people’s population are believers. Consequently, there are not enough believers or resources to reach the rest of the group without outside influence.

Please pray for this team. Pray that God would lead them to the right houses, to meet the right people, that God would open their hearts and make them want to hear the good news, that our team would have boldness to share the gospel, and for protection and security.

You can learn more about UPGs and UUPGs at www.joshuaproject.net.
