Missions

International Friendship Program - God has brought the nations to Houston. Our city is now the most ethnically diverse population in the U.S. Join us in embracing the nations among us through the International Friendship Program (IFP).

This program, in partnership with the University of Houston, matches English speaking international students with Houston families in order to facilitate the student’s exposure to American culture. The IFP is built around once -per-month meetings between you and your sponsored student. Example activities for your meeting are an Astros game, the Houston Rodeo, a meal out, or even a trip to the zoo.

If you’re interested in more information about the IFP please reserve your spot for a lunch presentation on August 26th (\$5 per person to cover the cost of food). **Text IFP to 474747 to sign up for this info meeting and lunch.**

Mission Northeast is in need of the following items: silverware, serving bowls, towels, sheets (all sizes), cookware, laundry soap, dish soap, rubber gloves, can openers (electric and hand). Items can be dropped off in the donation box located in the hallway by the Fellowship Hall.
